

FACTSHEET 7A – SELECTING YOUR REPAIR BUILDER

Repairing a home is both exciting and daunting. There are many stages, decisions and people involved. Choosing a builder who specialises in your type of reinstatement, can work to your timeframes and deliver on your vision can be a challenging task.

Below is a list of the builders who the majority of our customers have chosen for their repairs. These builders are committed to our customers and our timelines. They have the resources and structure to support a large number of claims, and the dedication to quality we demand for our customers.

Buildtech

Buildtech has a proven track record in construction and repairs. They are committed to delivering the highest standard to their customers. To achieve this, they take ownership of every detail from start to finish. They are a 100% Canterbury owned family business with over 100 tradespeople in their team.
